Our Catholic Christian Communities aim to develop in all their members, a healthy self-love, love of neighbour, and love of God. To achieve this Christian dynamic, the individuality of each person must be respected by allowing for the development of the whole person to his/her fullest potential, spiritually, physically, emotionally, intellectually, socially, and aesthetically. Our school is a witness to faith where people find in a Catholic school, an atmosphere of sincere respect and cordiality; it should be a place where authentic human relationships can be formed among all its members.
