There have been two additions made to the school since it was built. The first addition was made in 1978 and another in 1991. Our current school population is 265 students. James MacDonald School is located in an area of new housing development and is surrounded by the beautiful Gourley Park. Proximity to the park provides lots of opportunities for outdoor class activities involving sports and nature studies. Our annual Terry Fox run and track and field practices take place in the park.
